Dr. Devendra Prasad
Shri S. G. Prasad
Shri Vivek Mani Tripathi

Registration Form for International Conference
on
Advances in Textile Materials and Processes
(ATMP-2018)

November 19-20, 2018

Please send the scanned copy of this
duly filled form to atmp2018@gmail.com

Name in Block Letters:
Designation:
Department:
University/ Institute/ College / Organization:
Full Address:
E-mail ID:
Contact No.:
Highest Qualification:
Full Title of the Topic:
Co-authors (if any):
Accommodation required in IITK Campus: Yes /No
Amount of Registration fee Paid:
Bank Reference No.:

Registration Fees*

Academician : INR 2000.00
Industrial Participants : INR 2500.00
Alumni : INR 1500.00
Student : INR 1000.00
Accompanying Person : INR 1000.00
International Participants : USD 100

* (Delegates from TEQIP institutes need not pay for
Registration and accommodation)

Bank Details for Paying Registration Fees:

Participants can pay the registration fee by credit card and
bank transfer to "Director, UPTTI Kanpur" Account No.
31564766620, State Bank of India, Gwalitoli, Kanpur, India.
The IFSC code is "SBIN001780" and the Swift Code is
"SBININBB124".

INTERNATIONAL CONFERENCE

ON

**Advances in Textile
Materials and Processes**

[ATMP-2018]

November 19-20, 2018

Venue:
IIT Kanpur, India

Organized by

U P Textile Technology Institute Kanpur

In collaboration with

**Knowledge Incubation for TEQIP
of
Indian Institute of Technology Kanpur**

(Visit at : www.atmp2018.in)

Dear Colleagues

On behalf of organizing committee we invite you to
participate in the International conference on
Advances in Textile Materials and Processes [ATMP-
2018] to be held by UPTTI Kanpur on 19-20
November 2018.

About the Institute

UPTTI, Kanpur is century old pioneer institute of
northern India in the field of textiles. It offers technical
education in various disciplines of textiles at the level
of B. Tech, M. Tech & Ph.D. It is an autonomous
statutory organization, functioning under
administrative control of state government of UP. The
Institute has implemented academic autonomy from
2016. Formerly known as GCTI, the institution has a
very good liaison with many industrial and research
organizations. Frequent interactions with faculty of
IIT Delhi, HBTU Kanpur, IIT Bhadohi, scientists
from DMSRDE and CSWRI help faculty as well as
students to get value addition in their domain. The
institute has also signed MoUs with DMSRDE
Kanpur, CSWRI Avikanagar Rajasthan for joint
research and sharing of facilities. The institution has
set up an Innovation & Incubation Centre (IIC) in
Textile for encouraging new ideas and creating an
environment for product development. The centre
has two fold vision: To create a generation of zealous
entrepreneurs and to convert novel research into
valuable intellectual property. It also helps to
enhance the academic atmosphere of the institute.

The Institute has been selected under Technical
Education Quality Improvement Programme,
TEQIP-III which is initially for three years by Central
Sector Scheme (CSS) of MHRD, Govt. of India.
Institute development project has been prepared to
achieve the specific mission of the organization. In
order to develop infrastructural facility in the institute,
Dr APJ Abdul Kalam Technical University has
sanctioned a grant of Rs 1000 lakhs to upgrade its
hostels, academic buildings, digitalization of
institute, wi-fi facility and enrich the library.

About KIT at IIT Kanpur

KIT is a joint initiative of IIT Kanpur and MHRD, New
Delhi. The centre's primary goal is dissemination of
knowledge to teachers, researchers and students
through short-courses, workshops, seminars and
thematic live class. The centre is also engaged in
creating knowledge repositories through lectures for
advanced courses by leading experts, compendium
of projects, question bank, laboratory manuals and
demonstrative experiments, incorporation of new
knowledge in the curriculum; open-source initiatives
etc. The centre is bringing together the best minds in
science and technology in India. It will yearn to
increase interaction and partnership between the
Indian intellectual pool and the international pool of
expertise in the area. Knowledge Incubation for
TEQIP (KIT) also intends to incubate new teaching
and learning paradigms, and promote research in
emerging areas of importance.

About Conference

The present conference aims to provide an
international forum for researchers, developers and
academicians who are involved in real time projects
and research. The event will be a platform for
exchanging their valuable ideas and showcasing the
ongoing works which may help lay the foundation for
futuristic engineering. It will also bring together
academicians, scientists, engineers and
manufacturers from various institutions, universities,
colleges and industry to discuss the newer textile
materials and their applications in apparel as well as
industrial domain. It is also aimed to facilitate an inter
disciplinary approach to textile research and invoke
technology models for entrepreneurial ventures.

Theme of the Conference

**The conference covers following areas but not
limited to:**

1. Advanced Textile materials: Fibres and
Polymers, Nano-materials, Smart Materials,
Electronic Textiles, Fabrics for aerospace and
defense applications.
2. Innovative Technologies: Technical Textiles, 3D
Weaving, Textile Reinforced Composites,
Machine Design and Manufacture, Structure and
Geometry Modelling, Applications of
Biotechnology in Textiles, Bio-textiles.
3. Processing Technologies: Advances in Textile
Chemical Processing, Eco friendly wet
processing, Developments in textile dyes, Zero
Liquid Discharge and sustainability.
4. Characterization of Material: Latest
Characterization and Evaluation Techniques.
5. Fashion and Apparel Engineering: Fashion
design and forecasting, Garment Manufacturing.

Accommodation

Accommodation can be arranged in the Guest
house, International Hostel and Visitors Hostel of IIT
Kanpur on prior request.

Abstract Submission

The organizers invite authors to submit one-page
abstract for each paper that they wish to be
considered for inclusion in the oral or poster
presentation for the conference. The abstract should
contain sufficient information for a valid decision to
be made on the merit of the paper and its relevance
to the aim of the conference. Author(s) should
indicate whether they prefer an oral or a poster
presentation. Closing date for submission of
abstracts is 22 September, 2018.

Other important dates

Intimation for acceptance of Abstracts	29 Sept. 2018
Registration from	30 Sept. 2018
Submission of Full paper	31 Oct. 2018
